Items Needed Before Move In:

1. Copies of Insurance cards, Covid Vaccine Card (If available) and ID (front & back)- Copy's of Power of attorney paperwork (if available)

2. Physician Report filled out with TB test completed, over the counter medications sheet, PRN authorization letter and current list of all medications printed and all signed by physician.

3. DNR form completed and signed by Physician and Resident or POA. If resident so chooses. (If resident does not complete a DNR they will be considered a resuscitate)

4. All emergency paperwork filled out and signed by resident or POA and returned.

5. Getting to know you filled out to the best of your ability. Please include brief medical history and social history including number of children, occupation, favorite past time.

6. All medications must be in original bottles(No daily doser) with at least 2 weeks' worth of medication with fully intact labels. No expired medications will be accepted. Although not required, we would greatly appreciate, new sealed bottles of over-the-counter medications be provided to expedite the move in process.

If you have further questions with any of this material, please do not hesitate to call Jenn, at (530) 245-9970.
